

KIDZACT SUMMER CLASSES

4 SUMMER SESSIONS

KinderAct

Theatre begins with telling stories. Do your children like to play dress-up and act out adventures? Or maybe they are shy and would benefit from an outlet to help bring them out of their shell? Then theatre is the perfect place for them! Music, movement, acting, and creative play will make this a joyful experience that will be a unique beginning to the journey of theatre for everyone!

Sessions 1-4 (See below for all session Dates)

Time: 10:45am-Noon • Tuition: \$125 per session - Session 3 \$112

Ages: Completed Pre-K or Kindergarten

FirstAct

Children who have completed first or second grade, come take a journey through a story. By adding music, movement, costumes, and familiar characters in this creative theatre class we teach our young stars about the essentials of theatre. Feel the power of imagination, learn the wonder of working with a team, and develop beginning theatre skills. A different story will be offered each session.

ThirdAct-Mini Musical

For students who have completed third through eighth grade. Are you ready to develop a character, learn lines, and perform a musical? Students in this class work as ensemble to create, rehearse, and present a short musical play of increased difficulty. Each session will explore new material and present a showcase at the end of the term. Material covered will be from *Beauty & the Beast, Jr.* and *James & the Giant Peach, Jr.*

Actors who successfully complete the June session may re-audition for James & the Giant Peach, Jr. on July 8 or 9.
