

# TOBYE STUDIO NAME A SEAT CAMPAIGN

## Be a Part of History

**The Tobye Theatre** is one of the most intimate and creative theatre spaces in the region. As we continue to offer more exciting and exclusive productions, the need to update the theatre to reflect the theatre's renewed energy has become more and more pressing. The completely new Tobye theatre chairs will not only dramatically increase patron comfort (wider seats, extra cushion, better arm rests, easier access), but also create a new and vibrant atmosphere that will enhance the experience of seeing a show.

The Tobye theatre productions have never been so popular, and we are excited to create a new opportunity for our community to secure a lasting imprint in the energy of the theatre through naming a new seat.

**Play a leading role in The Naples Player's history** Only 104 seat naming opportunities are available. Naming a seat in Tobye Studio is a great opportunity to show your support of The Naples Players, as a gift to a loved one or to honor a member of our community who has made a substantial contribution to The Naples Players.

In recognition of your support, a plaque bearing your name or the name of someone you choose to honor or memorialize will grace one of the Tobye Studio's seats.
