

On My Own from Les Miserables

On my own
Pretending he's beside me
All alone
I walk with him 'til morning

Without him
I feel his arms around me
And when I lose my way I close my eyes
And he has found me

In the rain the pavement shines like silver
All the lights are misty in the river
In the darkness the trees are full of starlight
And all I see is him and me forever and
forever

And I know it's only in my mind
That I'm talking to myself and not to him
And although I know that he is blind
Still I say, there's a way for us

I love him
But when the night is over
He is gone
The river's just a river

Without him
The world around me changes
The trees are bare and everywhere
The streets are full of strangers

I love him
But every day I'm learning
All my life
I've only been pretending

Without me
His world will go on turning
A world that's full of happiness
That I have never known

I love him
I love him

How Far I'll Go from Moana

I've been staring at the edge of the water
Long as I can remember, never really knowing why
I wish I could be the perfect daughter
But I come back to the water, no matter how hard I try

Every turn I take, every trail I track
Every path I make, every road leads back
To the place I know where I cannot go
Where I long to be

See the line where the sky meets the sea
It calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays behind me
One day I'll know
If I go there's just no telling how far I'll go

I know everybody on this island seems so happy, on this island
Everything is by design
I know everybody on this island has a role, on this island
So maybe I can roll with mine

I can lead with pride, I can make us strong
I'll be satisfied if I play along
But the voice inside sings a different song
What is wrong with me?

See the light as it shines on the sea
It's blinding
But no one knows, how deep it goes
And it seems like it's calling out to me, so come find me
And let me know
What's beyond that line, will I cross that line?

See the line where the sky meets the sea
It calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays behind me
One day I'll know
How far I'll go

Never Enough from The Greatest Showman

I'm tryin' to hold my breath
Let it stay this way
Can't let this moment end
You set off a dream in me
Gettin' louder now
Can you hear it echoing?
Take my hand
Will you share this with me?
'Cause darling without you

All the shine of a thousand spotlights
All the stars we steal from the night sky
Will never be enough
Never be enough
Towers of gold are still too little
These hands could hold the world but it'll
Never be enough
Never be enough

For me
Never, never, never, never
Never, for me
For me
Never enough
Never enough
Never enough
For me
For me
For me

All the shine of a thousand spotlights
All the stars we steal from the night sky
Will never be enough
Never be enough
Towers of gold are still too little
These hands could hold the world but it'll
Never be enough
Never be enough

For me
Never, never, never, never
Never, for me
For me
Never enough, Never, never
Never enough, Never, never
Never enough
For me
For me
For me

What I Did for Love from A Chorus Line

Kiss today goodbye
The sweetness and the sorrow
Wish me luck, the same to you
But I can't regret
What I did for love, what I did for love

Look, my eyes are dry
The gift was ours to borrow
It's as if we always knew
And I won't forget what I did for love
What I did for love

Gone
Love is never gone
As we travel on
Love's what we'll remember

Kiss today goodbye
And point me toward tomorrow
We did what we had to do
Won't forget, can't regret
What I did for love

What I did for love
What I did for love
What I did for love

Waving Through a Window from Dear Evan Hansen

I've learned to slam on the brake
Before I even turn the key
Before I make the mistake
Before I lead with the worst of me

Give them no reason to stare
No slipping up if you slip away
So I got nothing to share
No, I got nothing to say

Step out, step out of the sun
If you keep getting burned
Step out, step out of the sun
Because you've learned, because you've learned

On the outside, always looking in
Will I ever be more than I've always been?
'Cause I'm tap, tap, tapping on the glass
I'm waving through a window
I try to speak, but nobody can hear
So I wait around for an answer to appear
While I'm watch, watch, watching people pass
I'm waving through a window, oh
Can anybody see, is anybody waving back at me?

We start with stars in our eyes
We start believing that we belong
But every sun doesn't rise
And no one tells you where you went wrong

Step out, step out of the sun
If you keep getting burned
Step out, step out of the sun
Because you've learned, because you've learned

On the outside, always looking in
Will I ever be more than I've always been?
'Cause I'm tap, tap, tapping on the glass
Waving through a window
I try to speak, but nobody can hear
So I wait around for an answer to appear
While I'm watch, watch, watching people pass
Waving through a window, oh
Can anybody see, is anybody waving?

When you're falling in a forest and there's nobody around

Do you ever really crash, or even make a sound?
When you're falling in a forest and there's nobody around
Do you ever really crash, or even make a sound?
When you're falling in a forest and there's nobody around
Do you ever really crash, or even make a sound?
When you're falling in a forest and there's nobody around
Do you ever really crash, or even make a sound?
Did I even make a sound?
Did I even make a sound?
It's like I never made a sound
Will I ever make a sound?

On the outside, always looking in
Will I ever be more than I've always been?
'Cause I'm tap, tap, tapping on the glass
Waving through a window
I try to speak, but nobody can hear
So I wait around for an answer to appear
While I'm watch, watch, watching people pass
Waving through a window, oh
Can anybody see, is anybody waving back at me?

Is anybody waving?
Waving, waving...

You'll Never Walk Alone from Carousel

When you walk through a storm
Hold your head up high
And don't be afraid of the dark.
At the end of the storm
Is a golden sky
And the sweet silver song of a lark.
Walk on through the wind,
Walk on through the rain,
Tho' your dreams be tossed and blown.
Walk on, walk on
With hope in your heart
And you'll never walk alone,
You'll never walk alone.
