

## RS # 4 Beetlejuice

Start

I'M ALIIIIIVE!!!!

**BEETLEJUICE**

*(We hear birds chirping.)*

**(BEETLEJUICE)**

Are those... birds!? They sound so beautiful.

*(then, full of joy)*

And that makes me FEEL! I actually FEEL... HAPPY! I've never felt this way before! But—

*(then, fretting)*

—what if it doesn't last? That makes me feel WORRIED. Now the happiness is gone and—

*(then, crying so much)*

—that makes me feel SAD. What if I'm never happy again? Just the thought of that—

*(then, seething)*

—makes me SO ANGRY. ←———— End
