

RS#5 Taylor & Gabriella

Start → *(stunned)*
GABRIELLA
Where did those come from?

TAYLOR
Didn't you slip them in my locker?

GABRIELLA
Of course not.
(SHARPAY eavesdrops.)

TAYLOR
Well, we'd love to have you on the team. We meet almost everyday after school. Please?

SHARPAY
(interrupting, to GABRIELLA)
What a perfect way to get caught up... meeting with the smartest kids in the school.

TAYLOR
We've never ever won the Science Decathlon. You could be our answered prayer.

GABRIELLA
(still reluctant)
Well... okay, I guess I can do it.

TAYLOR
(hugging GABRIELLA)
Yay!

GABRIELLA
Okay, so like what do you know about Troy Bolton?

TAYLOR
Troy? He has his clique, I have mine. Watch how it works in the cafeteria. You'll see. ← **End**
