We could live a mill-ion dreams, but on-ly if we

91 92 3 93 3

dare. We could go to such ex-tremes there's

94 95 96

so much we could share. We'll cir-cle the world do-ing all we've ev-er

97 98 99

dreamed of And we'll live in our own way

100 101 3

And I'll see you ev-ery day. We'll be the

103

best of friends When you

106 109 2

take a chance on me!
