

RS#8 Doralee

Start

DORALEE

I've put up with your grabbing and chasing me around the desk cause I need this job, but this is the last straw! I've got a gun out there in my purse and up to now I've been forgiving and forgetting cause that's the way I was brought up but I swear, if you say another word about me, I'll get that gun of mine

(advancing on him)

And I'll change you from a rooster to a hen with one shot!

(DORALEE storms out as ROZ rushes into Hart's office. HART starts picking up his pencils.)
